St James - Muizenberg Walk Way Patrols

Residents are understandably anxious and angry about the spate of violent attacks on the St James - Muizenberg Walk Way. The SRA is naturally very concerned about this unacceptable situation and again consulted with SAPS this morning at our weekly security meeting. It is imperative that the perpetrators be apprehended as soon as possible and SAPS is implementing initiatives to do so.

In addition, the SRA remains in close contact with law enforcement agencies and a combined initiative is being implemented to increase the frequency of foot patrols on the walk way in order to address public safety.

The current following schedule of patrols is currently being implemented in order to ensure regular patrols during daylight hours on working days:

- From first light until 7am: SRA foot patrollers patrol the walk way until they leave at 7am in order to patrol the vicinity of three local schools to ensure the safety of children during the hour they arrive at school.

- From 8h30am until 4h30 pm: two armed City Law Enforcement officers patrol the coastal walkway from Muizenberg to Kalk Bay
- From 4pm until darkness: SRA patrollers will again patrol the walkway
- In addition, SAPS Muizenberg are conducting periodic patrols of the walkway, from 6am until 4pm primarily in plain clothes.
- Muizenberg Neighbourhood Watch conducts volunteer patrols at the Muizenberg end of the walk way.

On week-ends, the SRA conducts its patrols as usual. We are awaiting confirmation from Law Enforcement in Muizenberg that will also conduct patrols, and SAPS conducts periodic patrols.

Despite these initiatives, the reality is that patrollers cannot be present on the walkway all the time. Residents and visitors are urged to exercise caution and to ensure that whenever possible they walk in groups. They are also requested to contact SAPS or Emergency Services urgently using the phone numbers above, in the event of any incident.

Kind Regards

KBSJ SRA Management Team
