

NEW FIVE-YEAR BUSINESS PLAN AND BUDGET: AN INVITATION TO SUBMIT COMMENT AND SUGGESTIONS

The Kalk Bay and St James SRA was incorporated as a non-profit company in 2014 following approval of its five-year Business Plan and Budget by a majority of property owners in our SRA. This plan provides a very modest budget (one of the lowest of all 41 approved SRAs in Cape Town) to provide limited supplementary public services in respect of the issues identified by residents as being of primary concern, namely Public Safety, Litter and Cleanliness, Maintenance of Public Spaces and Social Development.

Further information regarding the activities and management of the SRA can be found on our website www.kalkbaystjamesra.org. Copies of the current Business Plan and 5-year budget can also be found on our website.

The current five-year Business Plan and Budget will expire on 30 June 2019. The SRA company is required to formulate an updated business plan and budget for the five-year period from 1 July 2019 to 30 June 2024. This will be presented to its members for consideration and approval at the AGM at the end of November this year. It is envisaged that the SRA will continue to provide the same services as currently provided.

All residents and businesses in the SRA are invited to submit any suggestion or comment for consideration by the board as it compiles the new proposed business plan and budget.

Please send any comments or suggestions to our Manager in writing at manager@kalkbaystjamesra.org by 20 August 2018.
