

The SRA Security Kiosk/Trailer on Kalk Bay Main Road (opposite Outspan) is being managed by SAPS and Law Enforcement officers over the festive season. It would be great if you could show them some support during this period.

As we know, it can get very hot and any donations of water/cooldrinks would be most welcomed and can be dropped off at the Kiosk. Please feel free to go and say hi and make them feel welcome in the community. Their services are much appreciated and needed over this busy time of the year.

Below is a list of useful contact details:
