

The reconditioning of St James Beach Tunnel

A huge thank you to all involved in the upgrading and reconditioning of St James Beach Tunnel. Special thanks to the KBSTJ SRA, Folk Café, Jackie de Wall, Shaun McDermott, Rose Fivelman and Ronnie Fivelman for the generous donations to make this happen.

I am sure we can all agree that it has turned out amazingly. The team hopes to continue further projects of Danger Beach and Dalebrook tunnels. Funding would be critical to be able to continue with this next phase, so if anyone is interested in donating, please let Gail Daniels, manager of the SRA, know.
