

### **How to help those in need during COVID-19 lockdown**

During this time of great uncertainty many are battling to make ends meet. Because of this the KBSTJ SRA has decided to assist our cleaning and security staff. Should you wish to contribute towards this initiative, please contact Anna Els, mobile 073 355 6807. She will arrange for the goods to be collected and distributed to the SRA staff.

The SRA is not involved in the collection of money or food donations for the community at large. This is being driven by the SJKB-CAN group.

The SJKB-CAN group aims to bring our community together to act quickly to #stopthespread and assist where there's a dire need for help. Their aim is to assist people both in our own community and beyond. Please see the attached to find out more on how you can help.

# THE FOOD ISSUE: HOW TO DONATE

Many people in our neighbourhood have been wanting to contribute. We understand the mechanisms (and where the money goes) have been unclear.

## HERE'S THE STORY:

Scan to pay - compatible with most browsers.

Our local CAN group is pairing with another local community where the food need is dire. (Details to follow.)

You can make a 'ticket' donation for any amount via this Quicket link:

<https://www.quicket.co.za/events/103214-st-james-kalk-bay-can/#/>

This pooled money will be passed on as a collective community response from us all.

**NB: We know that our own local community also has needs. Our local CAN group is looking at those needs as they come up. We will use some of the community fund to help our locals in need, as the picture unfolds.**

Thank you all for your quick and very generous response.

P.S. When you shop at Dalebrook Cafe, 10% of your shopping goes to our community fund.

And if you'd like to buy a food parcel from the Kiosk at Scirocco, that's another way to help with the food crisis.
