

Update on SJKB CAN fundraising

There was an overwhelming and hugely generous response from the community after an appeal went out last week requesting food and/or monetary donations towards the SJKB CAN initiative. The following is an update sent out by SJKB CAN:

"THANK YOU to each and every one of you who donated towards our SJKB-CAN over the last week. Your response to the call for: online donations, food parcels, donations for masks and the 10% 'pay it forward' option, again reflects our community's beautiful true colours!

As of Wednesday 22/04 this week, we have received a grand total of R62,588.39. This is an increase of R47,664.50 over last week. WOW!!

On Tuesday this week **41 families** within our local community received food parcels, and the stock for **55 food parcels** for next week's distribution, has been ordered. With some provision towards a third week of food parcels, and the addition of freshly baked bread, **food parcels have cost R50,000.00**.

R12,000.00 (in total) has been donated to three organisations providing food in Vrygrond, Masiphumelele and Ocean View. This leaves a small surplus of R588.39 in the account.

570 masks have been donated, 250 of which have been accompanied by 100ml bottles of sanitizer.

Please consider a weekly donation to maintain and grow these acts of love and kindness. YOU have shown us that together, we can get through this and that as a community we become stronger when we look out for one another! **THANK YOU."**
