

## **Danger Beach Park Dreams...**

There has been a voluntary community initiative to give DBP a facelift to make it a user friendly, safer community space and to use the existing flora backbone to uplift the park once again.

An informal group of residents have got together and would like to get the greater KBSJ community involved in some way or other as it is a big long term project.

We are going to have a gardening morning this coming Saturday within the DBP and would appreciate your extra hands. It would be a perfect opportunity for you to visualize some ideas and see where you can help going forward.

The working group would be ever grateful for product donations (such as bounce back, compost), gardener sponsorship or monetary donation (account opened through RPA).

Unless there is an absolute downpour on Saturday we will be working from 8am till noon ....bring your gardening gloves, a tool for weeding and come down to join us!

Looking forward to seeing many of you for a productive community Saturday morning!

If you are unable to make it on Saturday and would like to assist with any aspect of the park project, here are the banking details to make it easier for you:

Danger Beach Park

Standard Bank

Fish Hoek

Branch 036009
